**Q3: Approval of the Implementation Plan**  
• Implement the new Constitution and Bylaws from January 2026  
• Conduct an election in December 2025 – Considering this election as the first year of the revised Contitution and Bylaws.  
• Make previous years of Directors' service obsolete – Start as fresh.  
• For this year's election only - Active member applications will be accepted one weeks before the election date. Or alternatively could use updated membership list for quorum and voting purposes for only this first election.
